ORDER GRANTING MOTIONS FOR RELIEF FROM STAY

Several similarly situated parties filed twenty-six separate motions for relief from stay (the "Motions").¹ The Motions all request that the court grant them relief from the automatic stay to pursue their appeals in the Ninth Circuit Court of Appeals. The court previously reviewed the Motions, issued a tentative ruling granting the Motions (dkt. #6867), and set them

¹ See Attachment 1.

1 for hearing. Since the court issued its tentative ruling, Debtors have filed a statement (dkt.
2 #6962) indicating that they do not oppose the Motions, provided that relief does not include
3 permission to enforce any judgments obtained.

4 Given Debtors non-opposition, and for the reasons stated in this court's tentative ruling,
5 the court hereby GRANTS the Motions and drops the matter from its calendar on May 12,
6 2020.

7 This order does not permit Movants to enforce any judgment they might obtain against
8 Debtors during the pendency of this case. Movants may recover any judgment only through the
9 claims process and in accordance with the terms of a confirmed plan of reorganization.
